Before submitting a proposal, each Bidder shall make all investigations and examinations necessary to ascertain all conditions and requirements affecting the performance of the contract and to verify any representations made by the City upon which the proposal will rely. If the Bidder receives an award, failure to have made such investigation and examinations will in no way relieve the Bidder from his obligation to comply in every detail with all provisions and requirements.

1.5. Specifications

The specifications herein shall be the basis of comparison and where a definite item is specified it is not the intention to discriminate against any product made by another manufacturer, but rather, the intention is to set a definite standard, style, and function. Bidders are required to quote equipment that will meet or exceed the minimum or maximum specifications herein.

1.6. Substitutions

It is the intention of the City of San Angelo to purchase equipment similar or equal to that specified. **Variation from the specification must be noted in bid by bidder. Vendor Compliance With Reciprocity On Non-Resident Bidders

Government Code 2252.002 provides that, in order to be awarded a contract as low bidder, a non-resident bidder must bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a non-resident bidder in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located. A non-resident bidder is a contractor whose corporate offices or principal place of business is outside of the state of Texas. This requirement does not apply to a contract involving Federal funds. The appropriate blanks in Section A must be filled out by all out-of-state or non-resident bidders in order for your bid to meet specifications. The failure of out-of-state or non-resident contractors to do so will automatically disqualify that bidder. Resident bidders must check the blank in Section B.

- A. Non-resident vendors in _____(give state), our principal place of business, are required to be _____ percent lower than resident bidders by state law. A copy of the statute is attached.

Non-resident vendors in _____(give state), our principal place of business, are not required to underbid resident bidders.

- B. Our principal place of business or corporate offices are in the State of Texas: _____.
