The following clarifications, changes, additions, and/or deletions are hereby made to the specifications and contract documents:

1. RFB due date has been changed to **September 22, 2015/3PM**
2. Return of Security - The security of the successful Bidder will be retained until he has executed the contract agreement and furnished the required Contract Security and insurance, whereupon checks furnished as bid security will be returned. The security of any Bidder whom the City believes to have a reasonable chance of receiving the award may be retained by the City until the day after the required documents are delivered by the selected Bidder to the City but not to exceed 90 days after the Bid opening. 3. From our experience, the amount of man-hours requested in the RFB is more than needed for the work defined by a skilled and experienced contractor. Can we submit two proposals? One matching the RFB and Two our recommendation.
Yes – but one submission must match the RFB exactly so all bids can be compared equally.
4. Does SJT have an inventory of conveyor parts, lubricants and other consumables that the contractor can access at no additional cost? **No**
5. Can modifications be made to the draft contract terms?
If there are any proposed changes, please redline those on the draft contract. The Venue and Indemnification need to stay as is.
6. Can certified payrolls be submitted quarterly?
Payroll will be submitted after each scheduled service is complete.
7. When is the expected date of effectiveness?
We expect approval by Council in the October timeframe with a start date to follow.
