ADDENDUM 1

Date: December 16, 2015
RFQ: FC-02-16/Professional Services – Historical Site Development
Location: San Angelo, Texas
Bid Date: January 15, 2016 /2:00 PM Local Time

The following clarifications, changes, additions, and/or deletions are hereby made to the RFQ Bid Forms:

Clarifications:

1. Would an archaeologist be advisable as part of the RFQ?

Most of the archaeology was performed to identify the building's foundations fifteen years ago. We cannot advise one way or another on the necessity of an archaeologist, but it should be noted that the fort and City had a relationship with a professional archaeology firm.

2. What is the budget?

An anonymous donor has provided \$2 million for this project. It is possible the project will cost more, but the work of the selected architect will help determine final costs. The general design of the buildings must match their original 1870's appearance, and all designs and plans require a review and approval by the Texas Historical Commission.

3. Are there standards for the interior regarding archival/artifact/collections care for this project?

The donor has expressed interest in the buildings having the best practices for such issues, but that is a design issue and not necessarily an architectural selection issue.

4. Will there be display space in these buildings?

Yes, this was part of the donor's intent. The allocation of space will be a design issue once a firm is selected and is under contract.

5. Are the building foundations extant?

Yes. Much of the four buildings' foundations do exist, having been excavated 25-30 years ago.

6. Is there limestone available to finish the buildings' exteriors?

Yes. There is a large supply of limestone stored on city land east of town.
