ADDENDUM # 1

Project: City of San Angelo
City Auditorium
Asbestos Abatement/Lead Based Paint Removal
And Painting & Coating
KC Project Number: 16-11-452

The specifications for the above project shall be applicable to this addendum and it shall be shown as received on the Bid form for this project.

1. A pre-bid walk through will not be required for this project.
2. A copy of the Limited Asbestos Survey has been included. No report was completed for lead paint. The consultant used an XRF gun to confirm the presence of lead paint on the window frames.
