1. EVALUATION FACTORS

It is **not** the policy of the City to purchase on the basis of low bids alone. In evaluating bids, the following considerations shall be taken into account to determine the "best value" for the City.

- a. the purchase price;
- b. the reputation of the respondent and of the respondent's goods or services;
- c. the quality of the respondent's goods or services;
- d. the extent to which the goods or services meet the City's needs;
- e. the respondent's past relationship with the City
- f. the impact on the ability of the City to comply with laws and rules relating to historically underutilized businesses;
- g. the total long-term cost to the City to acquire the respondent's goods or services; and
- h. any other relevant factor specifically listed in the request for bids and proposals.

2. EMPLOYMENT REQUIREMENTS AND WAGE RATES

General

The selected respondent shall comply with all requirements of the prevailing wage law of the State of Texas, Texas Government Code, Chapter 2258, including the latest amendments thereto.

The selected respondent and his Subcontractors shall pay wage rates not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the Work is performed, and not less than the general prevailing rate of per diem wages for legal holiday and overtime work as listed in the current Davis-Bacon Wage rates.

The prevailing wage law does not prohibit payment of more than the general prevailing rate of wages.

Records

The selected respondent and each Subcontractor shall keep an accurate record showing the names and occupations of all laborers, workers, and mechanics employed, together with the actual wages paid to each worker. At all reasonable hours, such records shall be open to inspection by the representatives of Owner.

Certified Payrolls are to be submitted to the City's representative weekly.

Penalty

If the selected respondent or any Subcontractor fails to comply with the prevailing wage law, he shall forfeit to Owner sixty dollars (\$60.00) per day for each laborer, workman, or mechanic who is paid less than the specified rate, **pursuant to §2258.023 of the Texas Government Code.**

The selected respondent shall comply with all requirements of the hours of work on public works defined by Texas Government Code **§2258.021**, including the latest amendments thereto, as an eight (8) hour work day. Prevailing Wage and Hour Decision

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

CITY OF SAN ANGELO
PURCHASING DIVISION
72 West College Avenue, San Angelo, Texas 76903
Tel: (325) 657-4219

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.

Debarment and Suspension Certification

INSTRUCTIONS

1. By signing and submitting this proposal, the prospective vendor is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective vendor shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the determination whether to enter into this transaction. However, failure of the prospective vendors to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the City of San Angelo determined to enter into this transaction. If it is later determined that the prospective vendor knowingly rendered an erroneous certification, in addition to other remedies available, the City of San Angelo may terminate this transaction for cause.
4. The prospective vendor shall provide immediate written notice to the City of San Angelo to which this proposal is submitted if at any time the prospective vendor learns that its certification was erroneous when submitted or has become erroneous because of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "vendor," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549(13 CFR Part 145). You may contact the City of San Angelo for assistance in obtaining a copy of these regulations.
6. The prospective vendor agrees by submitting this proposal that, should the proposed transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the City of San Angelo.
7. The prospective vendor further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment and Suspension" provided by the City of San Angelo, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A vendor in a covered transaction may rely upon a certification of a prospective vendor in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A vendor may decide the method and frequency by which it determines the ineligibility of its principals. Each vendor may, but is not required to, check the Non-procurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a vendor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a vendor in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the City of San Angelo, the City of San Angelo may terminate this transaction for cause.

Vendor Compliance with Reciprocity on Non-Resident Vendors

Texas Government Code 2252.002 provides that, in order to be awarded a contract as low vendor, a non-resident vendor must bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident vendor by the same amount that a Texas resident vendor would be required to underbid a non-resident vendor in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located. A non-resident vendor is a contractor whose corporate offices or principal place of business is outside of the state of Texas. This requirement does not apply to a contract involving Federal funds. The appropriate blanks in Section A must be filled out by all out-of-state or non-resident vendors in order for your bid to meet specifications. The failure of out-of-state or non-resident contractors to do so will automatically disqualify that vendor. Resident vendors must check the blank in Section B.

- A. Non-resident Vendors in _____(give state), our principal place of business, are required to be _____ percent lower than resident vendors by state law. A copy of the statute is attached.

Non-resident Vendors in _____(give state), our principal place of business, are not required to underbid resident vendors.

A. City has issued a Request for Written Quotes Hillside Retaining Wall, No. ES-07-17 ("RFWQ No. ES-07-17") for the excavation and disposal of dirt, trees, and existing wall, construction of 96'x12" retaining wall, backfill of new retaining wall, demolition and disposal of existing driveway, and pouring of new driveway on Hillside Drive, San Angelo, Texas ("Work"); and

1. RECITALS AND INCORPORATIONS: The recitals are true and correct and are hereby incorporated into and made a part of this Contract. The Contract Documents are identified at Section 7, and are incorporated as part of this Contract as therein provided.

2. STATEMENT OF WORK:

A. 4. **LIQUIDATED DAMAGES:** City and Contractor recognize that the time of performance is of the essence in this Contract and that City will suffer financial loss if Work is not substantially complete within the time specified in Section 3. above, plus any extensions thereof allowed. Both parties hereto also recognize the delays, expense, and difficulties involved in proving in a legal proceeding the actual loss suffered by City if Work is not substantially complete on time. Accordingly, instead of requiring such proof, City and Contractor agree that a reasonable estimate of liquidated damages for any delay (but not as a penalty) would be for Contractor to pay City FIVE HUNDRED FIFTY DOLLARS AND 00/100 (\$550.00) for each calendar day that expires after the time specified in paragraph B until Work is substantially complete. Therefore, Contractor shall pay City the aforesaid liquidated damages for each calendar day that expires after the time specified in Section 3. until Work is substantially complete.

5. **CONTRACT PRICE:** City shall pay to Contractor for performance of Work embraced in this Contract, and Contractor shall accept as full compensation therefore, the Bid Price of _____ DOLLARS AND 00/100 (\$_____) subject to adjustment only as provided by approved change order, for all Work covered by and included in the Contract award; payment thereof to be made in current funds in the manner provided in Section 6. 14. DEFAULT: If Contractor fails to comply with any term or condition of this Contract, or fails to perform any of its obligations hereunder, then Contractor shall be in default. Upon the occurrence of a default hereunder, City in addition to all remedies available to it by law, may immediately, upon written notice to Contractor, terminate this Contract whereupon all unpaid contract funds shall be available to City to

complete the construction and/or remedy any defective performance by Contractor. Should Contractor default, any advances for work to be performed or materials to be ordered which have been paid by City to Contractor shall be immediately returned to City. Should the costs to complete the construction and/or remedy any defective performance by Contractor exceed the remaining Contract balance, Contractor shall be liable to City for all costs and expenses to complete the construction and/or remedy any defective performance, to include any cost associated with re-procurement, and for any consequential and incidental damages suffered by City. Contractor understands and agrees that termination of this Contract under this section shall not release Contractor from any obligation accruing prior to the effective date of termination.

15. TERMINATION RIGHTS OF CITY:

A. City shall have the right to terminate this Contract, in its sole discretion, at any time, for any reason, by giving written notice to Contractor at least five (5) business days prior to the effective date of such termination. In no event shall City be liable to Contractor for any additional compensation, other than that provided herein, or for any consequential or incidental damages.

B. If, in the judgment of City, prevailing conditions warrant the provision by Contractor of additional liability insurance coverage or coverage which is different in kind, City reserves the right to require the provision by Contractor of an amount of coverage different from the amounts or kind previously required and shall afford written notice of such change in requirements thirty (30) days prior to the date on which the requirements shall take effect. Should Contractor fail or refuse to satisfy the requirement of changed coverage within thirty (30) days following City's written notice, this Contract shall be considered terminated on the date that the required change in policy coverage would otherwise take effect.

18. INDEMNIFICATION:

A. GENERAL INDEMNIFICATION.
