These restrictions extend to "thank you" letters, phone calls, emails and any contact that results in the direct or indirect discussion of the RFB and/or bid submitted by vendor. Violation of this provision by vendor and/or its agent may lead to disqualification of vendor from consideration.

Exceptions to the Restrictions on Communication with City employees include:

- Private (non-business) contacts with the City by the vendor's employees acting in their personal capacity;
- 2. Casual social contacts that do not include mention of the RFB;
- Vendors may submit written questions concerning this RFB to the email listed below up to five (5) days prior to submission due date. Questions received after the stated deadline will not be answered:

It is required that all questions be sent by email to <a href="mailto:sapurch@cosatx.us">sapurch@cosatx.us</a>. Please ensure the RFB Number and title are in the subject line. Questions submitted and the City's responses will be published in the form of an addendum to the City's web site at <a href="mailto:www.cosatx.us">www.cosatx.us</a>. Vendor is responsible for calling the City or reviewing the website to determine if any addenda have been issued prior to their submittal. Only questions answered by formal addenda will be binding;

- 4. Vendors may provide responses to questions asked of them after responses are received and opened. During interviews, if any, verbal questions and explanations will be permitted. If interviews are conducted, vendors shall not bring lobbyists. The City reserves the right to exclude any persons from interviews as it deems in its best interests;
- 5. Upon completion of the evaluation process, vendors shall receive a notification letter indicating the recommended firm and anticipated City Council agenda date. Vendors desiring a review of the solicitation process may submit a written request no later than five (5) calendar days from the date the letter was sent. The letter will indicate the name and address for submission of requests for review.
- B. The City reserves the right to accept or reject any or all bids, and to waive any informalities or irregularities in the RFB process.

#### 1.3. Corrections, Additions, or Deletions

Corrections, additions, or deletions to any portion of the RFB will be in the form of a written addendum.

### 1.4. Confidentiality

All bids submitted shall remain confidential. After award, bids will be made available for public inspection. The City shall not be responsible for the confidentiality of any trade secrets or other information contained or disclosed in the bid unless clearly identified as such.

## 1.5. Acceptance of Bid Content

Before submitting a bid, each vendor shall make all investigations and examinations necessary to ascertain all conditions and requirements affecting the performance of the contract, and to verify any representations made by the City upon which the bid will rely. If the vendor receives an award, failure to have made such investigation and examinations will in no way relieve the vendor from its obligation to comply in every detail with all provisions and requirements.

#### 1.6. Specifications

The specifications herein shall be the basis of comparison. Where a definite item is specified, it is not the intention to discriminate against any product made by another manufacturer, but rather, the intention is to set a definite standard, style, and function. Vendors are required to quote equipment that will meet or exceed the minimum or maximum specifications herein.

#### 1.7. Substitutions

It is the intention of the City of San Angelo to purchase equipment similar or equal to that specified. Variation from the specification must be noted in bid by vendor. Absence of noted variations will be interpreted to mean that the item quoted is in exact accordance with the specification. Each vendor, if not bidding on specified equipment, is required to furnish with the bid, a complete detailed description, and specifications of each item upon which they are bidding, supported by the manufacturer's catalog, photographs, guarantee, complete name, and any other pertinent information. An "or equal" item must reflect the general appearance, design, dimensions, or color of the item specified. Samples, if required, shall be furnished free of expense to the City. Samples not used or destroyed in examination and testing will be returned to the vendor, if requested, at the vendor's expense. Each sample must be marked with vendor's name, address, and RFB reference. Approval of substitute "or equal" items remains with the City, and in all cases is final. In the event an item is not accepted as an "or equal", the City may allow the vendor to supply the remaining items meeting specifications at the bid price.

#### 1.8. Materials

The vendor certifies all materials and equipment supplied resulting from this bid invitation shall be new and unused, unless noted elsewhere in the invitation.

#### 1.9. Bid Items

Vendors are expected to examine all specifications, drawings, standard provisions, and instructions. Failure to do so will be at the vendor's risk. Bids are to be submitted on each item and total extended, however more than one bid may be submitted on products meeting the specifications.

## 1.10. Taxes

All bids are to be submitted less Federal Excise and State of Texas Sales Taxes. Tax exemption certificates will be executed upon request.

#### 1.11. Authorized Signature

#### 1.12. Modification or Withdrawal of Bids

Bid pricing <u>CANNOT</u> be altered or amended after the closing time. Bids may be modified or withdrawn prior to the closing hour and date, by written notice to the Purchasing Division. No bid may be withdrawn after the closing time and date without acceptable reason in writing and with approval of the Purchasing Division.

#### 1.13. Prices

Vendor is to quote its lowest and best price Free On Board (F.O.B.) destination on each item to shipping location in San Angelo, Texas unless otherwise specified in the invitation. Pricing shall include packaging, transportation, unloading, and any trade and cash discounts will be taken, if earned. Bids must be firm, however if a vendor believes it necessary to base its price on price adjustment, such a bid may be considered, but only as an alternate bid. Pricing is to be submitted as quantity per unit specified with extended totals, however in the event of a discrepancy in extension, the unit prices shall govern. Pricing shall be entered on the Bid Sheet in ink or typewritten.

#### 1.14. Delivery Date

Bid must show the number of calendar days required to place the materials at the place of destination under normal conditions. Failure to specify delivery date or state unrealistically short or long delivery dates may cause the bid to be disregarded.

#### 1.15. Default in Delivery

The vendor must keep the City advised at all times as to the status of the order. When delivery delay can be foreseen, the Vendor shall give prior notice to the Purchasing Division who shall have the right to extend the delivery date, if reasons for delay are reasonable and acceptable. Default in promised delivery, without acceptable reasons, or failure to meet specifications without remedy, shall cause the City to purchase the goods elsewhere and charge any increase in cost and handling to the defaulting Vendor. This does not limit any other remedies to the City for damage entitled under the Uniform Commercial Code.

#### 1.16. Delivery Times

Deliveries will be accepted only during normal working hours, i.e.; 8:00 a.m. to 12:00 p.m. and from 1:00 p.m. to 5:00 p.m., Monday thru Friday, unless prior arrangements have been made. For large orders, 24 hour notice to the receiving department is required to eliminate delays in delivery.

#### 1.17. Evaluation Factors

- G. Consider and accept an alternate bid as provided herein when most advantageous to the City;
- H. Extend any contract when most advantageous to the City;
- The City reserves the right to award multiple contracts based on low bids for individual items or groups of similar items.

### **Debarment and Suspension Certification**

#### **INSTRUCTIONS**

- 1. By signing and submitting this proposal, the prospective vendor is providing the certification set out below.
- 2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective vendor shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the determination whether to enter into this transaction. However, failure of the prospective vendors to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- 3. The certification in this clause is a material representation of fact upon which reliance was placed when the City of San Angelo determined to enter into this transaction. If it is later determined that the prospective vendor knowingly rendered an erroneous certification, in addition to other remedies available, the City of San Angelo may terminate this transaction for cause.
- 4. The prospective vendor shall provide immediate written notice to the City of San Angelo to which this proposal is submitted if at any time the prospective vendor learns that its certification was erroneous when submitted or has become erroneous because of changed circumstances.
- 5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "vendor," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549(13 CFR Part 145). You may contact the City of San Angelo for assistance in obtaining a copy of these regulations.
- 6. The prospective vendor agrees by submitting this proposal that, should the proposed transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the City of San Angelo.
- 7. The prospective vendor further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment and Suspension" provided by the City of San Angelo, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 8. A vendor in a covered transaction may rely upon a certification of a prospective vendor in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A vendor may decide the method and frequency by which it determines the ineligibility of its principals. Each vendor may, but is not required to, check the Non-procurement List.

Except for transactions authorized under paragraph 6 of these instructions, if a vendor in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the City of San Angelo, the City of San Angelo may terminate this transaction for cause.

#### **Vendor Compliance with Reciprocity on Non-Resident Vendors**

Texas Government Code 2252.002 provides that, in order to be awarded a contract as low vendor, a non-resident vendor must bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident vendor by the same amount that a Texas resident vendor would be required to underbid a non-resident vendor in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located. A non-resident vendor is a contractor whose corporate offices or principal place of business is outside of the state of Texas. This requirement does not apply to a contract involving Federal funds. The appropriate blanks in Section A must be filled out by all out-of-state or non-resident vendors in order for your bid to meet specifications. The failure of out-of-state or non-resident contractors to do so will automatically disqualify that vendor. Resident vendors must check the blank in Section B.

12. **INSURANCE:** Provider shall, at all times during the term hereof, maintain such insurance coverage as may be required by City of the types and in the amounts specified in **Exhibit "C"** attached hereto, which by this reference is incorporated into this Agreement for all purposes, and with insurers licensed to do business in Texas. Every policy required above shall be primary insurance. Any insurance or self-insurance benefits carried by City, its officers, or its employees, shall be excess and not contributory to that provided by Provider. All such insurance, including renewals, shall be subject to the approval of City for adequacy of protection and evidence of such coverage shall be furnished to City on Certificates of Insurance indicating such insurance to be in force and effect and providing that it will not be canceled during the performance of Services under this Agreement without thirty (30) calendar days prior written notice to City. Completed Certificates of Insurance shall be filed with City's Risk Manager at City Hall, 72 W. College Avenue, San Angelo, Texas 76903 prior to the performance of Services hereunder, provided, however, that Provider shall at any time upon request file duplicate copies of the policies of such insurance with City.

The procurement of insurance coverage by Provider shall not be construed to be a limitation upon Provider's liability or as a full performance on its part of Provider's indemnification requirements under this Agreement. Provider's obligations are, notwithstanding any policy of insurance, for the full and total amount of any damage, injury or loss caused by or attributable to its activities conducted at or upon the premises. Failure of Provider to maintain adequate coverage shall not relieve Provider of any contractual responsibility or obligation. Provider shall require its insurance carrier(s), with respect to all insurance policies, to waive all rights of subrogation against City, its council members, board and commission members, officials, agents, guests, invitees, consultants and employees.

Provider shall cause each subprovider and sub-subprovider of Provider to purchase and maintain insurance of the types and in the amounts specified in **Exhibit "C"** hereto. Provider shall require subproviders and sub-subproviders to furnish copies of certificates of insurance to Provider's Risk Manager evidencing coverage for each subprovider and sub-subprovider.

If, in the judgment of City, prevailing conditions warrant the provision by Provider of additional liability insurance coverage or coverage which is different in kind, City reserves the right to require the provision by Provider of an amount of coverage different from the amounts or kinds previously required and shall afford written notice of such change in requirements thirty (30) days prior to the date on which the requirements shall take effect. Should Provider fail or refuse to satisfy the requirement of changed coverage within thirty (30) days following City's written notice, Provider shall be deemed in default of this Agreement.

**13. <u>DEFAULT</u>**: If Provider fails to comply with any term or condition of this Agreement, or fails to perform any of its obligations hereunder, then Provider shall be in default. Upon the

occurrence of a default hereunder, City, in addition to all remedies available to it by law, may immediately upon written notice to Provider, terminate this Agreement whereupon all payments, advances, or other compensation paid by City to Provider while Provider was in default shall be immediately returned to City. Provider understands and agrees that termination of this Agreement under this section shall not release Provider from any obligation accruing prior to the effective date of termination. Should Provider be unable or unwilling to commence to perform Services within the time provided or contemplated herein, then, in addition to the foregoing, Provider shall be liable to City for all costs and expenses incurred by City in preparation and negotiation of this Agreement, as well as all costs and expenses in the reprocurement of Services, including consequential and incidental damages.

**RESOLUTION OF CONTRACT DISPUTES:** Provider understands and agrees that 14. all disputes between Provider and City based upon an alleged violation of the terms of this Agreement by City shall be submitted to the City Manager for his resolution. Provider shall make a written request for resolution of the dispute (the "Request") to the City Manager or his designee (the "Official") for determination of the matter in dispute. The Request shall clearly state the disputed issue and include or incorporate by specific reference all information or documents that Provider wants the Official to consider in reaching a determination. The Official shall issue a written notice of decision upon Provider's Request within the thirty (30) days of receipt of Provider's Request. If the Official cannot issue a decision within thirty (30) days of the receipt of Provider's Request, the Official shall notify Provider the date upon which a decision shall be issued. Submission of Provider's Request for determination of the dispute is a condition precedent to Provider's ability to engage in litigation against City. If a decision is not issued by the date indicated by the Official or within ninety (90) days after the submission of Provider's written Request for determination, whichever occurs first, Provider will be deemed to have met the condition precedent required by this provision. Should the dispute be resolved through the submission of Provider's Request, the resolution of the dispute will be documented, if necessary, through a change to this Agreement in accordance with the provisions contained in this Agreement. Should the dispute fail to reach resolution through the submission of Provider's Request, the dispute shall be submitted to mediation at the sole discretion of City. City agrees that it shall make an election within no later than sixty (60) days after the issuance of a determination by the Official in response to Provider's Request, final completion, abandonment or termination of the Project, whichever is later. Such mediation shall be conducted by and between the parties in accordance with the AAA Rules of Mediation for Construction Cases then in effect. Provider understands and agrees that it shall continue to perform its Work under this Agreement unless further performance has been excused by termination of Provider or stopping Work is specifically allowed under the laws of the State of Texas. Provider understands that should a settlement be reached at mediation it is subject to the approval of the City Council. If either mediation is unsuccessful or City elects not to proceed to mediation, then the dispute shall be submitted to litigation in keeping with the terms of this Agreement and the laws of the State of Texas.

## 15. TERMINATION RIGHTS OF CITY:

**A.** City shall have the right to terminate this Agreement, in its sole discretion, at any time, by giving written notice to Provider at least five (5) business days prior to the effective date of such termination. In such event, City shall pay to Provider compensation for services rendered and expenses incurred prior to the effective date of termination. In no event shall City be liable
