1.4. Confidentiality

All bids submitted shall remain confidential. After award, bids will be made available for public inspection. The City shall not be responsible for the confidentiality of any trade secrets or other information contained or disclosed in the bid unless clearly identified as such.

1.5. Bid Items

Bid forms must be completed in ink. All blank spaces in the bid form shall be filled. A bid price shall be indicated for each item and alternative listed therein, or the words "No Bid", "No Charge", or other appropriate phrase shall be entered. Bids received without all such items completed may be considered nonresponsive.

The vendor is not required to acknowledge receipt of addenda but shall include all addenda in vendor's response. No alterations in bids or alterations made to the printed forms, by erasures, interpolations, or otherwise will be acceptable unless each such alteration is signed or initialed by the vendor. Failure to consider all addenda prior to submitting a bid shall be at the risk of the vendor.

1.7. Modification or Withdrawal of Bids

Bid pricing **CANNOT** be altered or amended after the closing time. Bids may be modified or withdrawn prior to the closing hour and date, by written notice to the Purchasing Division. A bid may also be withdrawn in person by a vendor or its authorized agent, provided the identity is made known and they sign a receipt for the bid. No bid may be withdrawn after the closing time and date without acceptable reason in writing and with approval of the Purchasing Division.

1.8. Prices

Bids must be firm, however if a vendor believes it necessary to base its price on price adjustment, such a bid may be considered, but only as an alternate bid. Pricing is to be submitted as quantity per unit specified with extended totals, however in the event of a discrepancy in extension, the unit prices shall govern. Pricing shall be entered on the Bid Sheet in ink or typewritten.

1.9. Evaluation Factors

It is **not** the policy of the City to purchase solely on the basis of pricing. In evaluating bids, the following considerations shall be taken into account to determine the lowest responsible bidder:

- B. Record of federal, state or local governmental entity suspension, termination or debarment
- C. References
- D. Safety record

- E. Increase or decrease the quantity specified, unless the vendor specifies otherwise.

1.13. Bid Security

Each bid must be accompanied by a security bond, certified or cashier's check (on a solvent bank in the State of Texas), drawn to the order of the City in the sum of not less than five percent (5%) of the total amount of the bid. The security bond must be executed by a surety meeting the requirements set forth in the Owner's Construction General Conditions and in the name of the prime contractor. The bond shall be made payable without condition to the City of San Angelo, Texas. Bid security must be in the name of the company submitting the bid. Bid securities will be deposited within 24-hours of bid submission and a new check from the City will be issued to unsuccessful vendors within thirty (30) business days of the City Council award of bid.

1.14. Security Forfeiture

Failure of the selected vendor to deliver the required contract documents, including the required performance and/or payment bonds and insurance, within thirty (30) days of the Notice of Award to the selected vendor shall be just cause for the City to annul the award and declare the bid and any guarantee thereof forfeited, not as a penalty, but as liquidation of damages to the City.

1.15. Return of Security

The security of the successful vendor will be retained until they have executed the contract agreement and furnished the required bonds and insurance, whereupon bid security will be returned. The security of any vendor whom City believes to have a reasonable chance of receiving the award may be retained by City until the day after the required documents are delivered by the selected vendor to the City but not to exceed ninety (90) days after the bid submittals are due. Bid security by other vendors will be returned within thirty (30) days of when bid submittals are due.

1.16. Order Placement

No work shall be ordered without a Purchase Order and all invoices must reflect the Purchase Order number. City's obligation is payable only and solely from funds available for the purpose of this purchase. Lack of funds shall render this contract null and void to the extent funds are not available and any delivered but unpaid for goods will be returned to vendor by City. Accepting orders without a Purchase Order number shall be at the risk of the vendor.

1.17. Inspections

Inspections shall be at the discretion of the City within the requirements of the City. The vendor shall keep the entire project site accessible to the City and any other governmental entity that may exercise regulatory control of the project or any portion of the work.

1.18. Invoices and Payments

Vendor shall submit separate invoices on each Purchase Order that indicate the Purchase Order number and supply agreement, if applicable. Invoices shall be itemized and include a copy of the bill of lading and the freight waybill, when applicable. Payment terms will be outlined in the attached draft contract.

Payment may be withheld by City, at the discretion of the City, to vendor until all required documents pertaining to the sale are received by the City.

1.19. Gratuities

The City may, by written notice to the vendor, cancel this contract without liability to vendor if it is determined by the City that gratuities were offered from an agent or representative of the vendor to any officer or employee of the City with a view toward securing a contract or securing favorable treatment with respect to the awarding or

amending, or the making of any determinations in respect to the performing of such contract. In the event this contract is canceled by City, remedies to recover or withhold the amount of the cost shall be incurred by vendor in providing such gratuities.

1.20. Warranty-Price

The price to be paid by the City shall be that contained in vendor's bid which vendor warrants to be no higher than vendor's current prices on orders by others for products of the kind and specifications covered by this agreement for similar quantities under similar or like conditions and methods of purchase. In the event vendor breaches this warranty, the prices of the items shall be reduced to the vendor's current prices on orders by others, or in the alternative, reduced to the vendor's current prices on orders by others, or in the alternative, City may cancel this contract without liability to vendor for breach or vendor's actual expense.

The vendor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for commission, percentage, brokerage, or contingent fee excepting bona fide employees of bona fide established commercial or selling agencies maintained by the vendor for the purpose of securing business. For breach or violation of the warranty, the City shall have the right in addition to any other right or rights to cancel this contract without liability and to deduct from the contract price, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

1.21. Warranty-Product

Vendor shall not limit or exclude any implied warranties and any attempt to do so shall render this contract voidable at the option of the City. Vendor warrants that the goods furnished will conform to the specifications, drawings, and descriptions. Any warranties take effect on the contract effective date.

1.22. Safety Warranty

Vendor warrants that the product sold to City shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act (OSHA). In the event the product does not conform to OSHA standards, City may return the product for correction or replacement at the vendor's expense. In the event vendor fails to make the appropriate correction within a reasonable time, correction made by City will be at vendor's expense.

1.23. No Warranty by City against Infringements

As part of this contract for sale, vendor agrees to ascertain whether goods manufactured in accordance with the specifications attached to this agreement will give rise to the rightful claim of any third person by way of infringement or the like. City makes no warranty that the production of goods according to the specification will not give rise to such a claim, and in no event shall City be liable to vendor for indemnification in the event that vendor issued on the grounds of infringement or the like. If vendor is of the opinion that an infringement or the like will result, he will notify City to this effect in writing within two weeks after the signing of the agreement. If City does not receive notice and a claim of infringement is made, vendor will indemnify, defend, and hold harmless City, its Council members, officials, agents, consultants, and employees free and harmless from and against any and all claims, suits, judgments, costs, penalties, fines, damages, and attorneys' fees and expenses asserted by any person or persons. If vendor, in good faith, ascertains that production of the goods in accordance with the specifications will result in infringement or the like, this contract shall be void.

1.24. Termination

Performance under this contract may be terminated in whole, or in part by the City in accordance with this provision. Termination performance hereunder shall be effected by the delivery to vendor of a "Notice of Termination" specifying the extent to which performance under this contract is terminated and the date upon which such termination becomes effective.

1.25. Force Majeure

Neither party shall be held responsible for losses resulting if the fulfillment of any terms or provisions of this contract is delayed or prevented by any cause not within the control of the party whose performance is interfered with, which by the exercise of reasonable diligence said party is unable to prevent.

1.26. Assignment-Delegation

No right or interest in the contract shall be assigned nor shall any delegation of any obligation made by vendor be valid without the written permission of the City. Any attempted assignment or delegation by vendor shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

1.27. Waiver

No claim or right arising out of a breach of this contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

1.28. Modifications

This contract can be modified or rescinded only in writing signed by both of the parties or their duly authorized agents.

1.29. Interpretation-Parol Evidence

This writing is intended by the parties as a final expression of their agreement and is intended as a complete agreement for dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this agreement. Acceptance or acquiescence in a course of performance rendered under this agreement shall not be relevant to determine the meaning of this agreement even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in the agreement, the definition contained in the Code is to control.

1.30. Applicable Law

This agreement shall be governed by the Uniform Commercial Code. Whenever the term "Uniform Commercial Code" is used, it shall be construed as meaning the Uniform Commercial Code as adopted in the State of Texas as effective and in force on the date of this agreement.

1.31. Advertising

Vendor shall not advertise or publish, without City's prior consent, the fact that City has entered into this contract, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local government.

1.32. Right to Assurance

Whenever one party to this contract in good faith has reason to question the other party's intent to perform, they may demand that the other party give written assurance of its intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

1.33. Equal Employment Opportunity

Vendor agrees that during the performance of its contract it will:

- Treat all applicants and employees without discrimination as to race, color, religion, sex, national origin, marital status, age, or handicap.
- Identify itself as an Equal Opportunity Employer in all help wanted advertising or request. The vendor shall be advised of any complaints filed with the City alleging that vendor is not an Equal Opportunity Employer. The City reserves the right to consider its reports from its human relations administrator in response to such complaints in determining whether or not to terminate any portion of this contract for which Purchase Orders or authorities to deliver have not been included; however, the vendor is specifically advised that no Equal Opportunity Employment complaint will be the basis for cancellation of this contract for which a Purchase Order has been issued or authority to deliver granted.

All vendors must be Equal Opportunity Employers. Disadvantaged and minority vendors are encouraged to participate.

1.34. Conflict Of Interest

Vendor agrees to comply with the conflict of interest provisions of the City Of San Angelo Charter and Code of Ordinances. Vendor agrees to maintain current, updated disclosure of information on file with the City Clerk throughout the term of the contract.

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflict of interests' disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) – included in the bid forms - must be submitted no later than the seventh (7th) business day after the date the vendor begins discussion, negotiation, applies or responds to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

1.36. Certificate of Interested Parties (Form 1295)

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

Filing Process:

On January 1, 2016, the ethics commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. **An authorized agent of the business entity must sign the printed copy of the form and have the form notarized.** The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

Information regarding how to use the filing application and the application are both available at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. Instructional videos are available under the heading Instructional Videos for Business Entities.

The Form 1295 must be received, signed and notarized, within thirty (30) days of Council award or the contract may be voided.

1.37. Taxes and Permits

Attention is directed to the requirements of the General Conditions regarding payment of taxes and obtaining permits. All taxes that are lawfully assessed against the City or the selected vendor in connection with the work shall be paid by the vendor. The bid prices shall include all such taxes and the costs of all required permits. The City is exempt from State Sales Tax and Federal Excise Tax.

1.38. Examination of Contract Documents

Each vendor shall thoroughly examine and be familiar with this document, specifications, etc. The submission of a bid shall constitute an acknowledgment that the vendor has thoroughly examined and is familiar with the contract documents. The failure or neglect of a vendor to receive or examine any of the contract documents shall in no way relieve them from any obligations with respect to their bid or to the contract. No claim for extra or additional compensation will be allowed based upon a lack of knowledge of any contract document, and the City will in no case be responsible for any loss or for unanticipated costs that may be suffered by the selected vendor as a result of conditions pertaining to the work.

1.39. Familiarization with the Type of Work

Before submitting a bid, each prospective vendor shall familiarize itself with the work, local labor conditions and all laws, regulations, and other factors affecting performance of the work. It shall carefully correlate its observations with requirements of this request and otherwise satisfy itself of the expense and difficulties attending performance of the work. The submission of a bid will constitute a representation of compliance by the vendor. There will be no subsequent financial adjustment for lack of such familiarization.

1.40. Site Investigation

The information contained in this document about topography, subsurface soils, subsurface structures, and any quantities based thereon, is furnished solely for the convenience of the respondent as information available at the time. The accuracy of this information is not guaranteed and the vendor is fully and solely responsible to verify pertinent information prior to bid submission. Use of the information provided in no way relieves the vendor or others of any responsibility for loss due to inaccuracies or deviations which may be encountered.

1.41. Soils Testing Specifications

The vendor will be allowed to conduct soils investigations within the alignment of the proposed project as they can be coordinated with the City and appropriate landowners during the bid preparation phase. All such investigations must be coordinated through the City.

1.42. Subcontractors and Suppliers

All bids must include a list of proposed subcontractors and suppliers on the form included in the bid forms section. **Vendors are strongly encouraged to explore utilizing area subcontractors and suppliers.**

When requested by the City, within 24 hours of bid opening, the apparent low vendor, and any other vendor so requested, shall submit a list of all subcontractors they expect to use.

1.42.1. Subcontractor Qualification

Particular consideration will be given to the qualifications of each subcontractor proposed to perform more than 5 percent (5%) of the work.

The successful vendor will submit to the City for acceptance a list of the names of subcontractors and such other persons and organizations (including those who are to furnish materials or equipment fabricated to a special design) identifying that portion of the work to be performed by each subcontractor within fourteen (14) days of the issuance of Notice of Award.

The City will notify the successful vendor in writing if there is objection to any subcontractor, person, or organization on such list.

If the apparent low vendor declines to make any such substitution, the contract shall not be awarded to such vendor, but their declining to make any such substitution will not constitute grounds for sacrificing their bid security. Additional requirements for subcontractors are contained within the Owner's Construction General Conditions of this document.

The failure of the City to make any such objection prior to the execution and delivery of the agreement shall constitute an acceptance of such subcontractor, person, or organization. Such acceptance a subcontractor, person or organization shall not: (1) constitute a waiver of any right of the City to reject defective work, material, or equipment, or work, material, or equipment not in conformance with the requirements of the contract documents; or (2) constitute a waiver of vendor's complete and total liability for any defective work, material, or equipment, or work, material, or equipment not in conformance with the requirements of the contract documents whether or not provided by or performed by any such subcontractor.

If the City registers objection to and refuses to accept a subcontractor, person, or organization list the successful vendor may either (1) submit an acceptable substitute without an increase in their bid price or (2) withdraw their bid. If the City raises objection to a subcontractor, person, or organization after the execution and delivery of the agreement, the vendor will submit an acceptable substitute and the contract price shall be increased or decreased by the reasonable difference in cost occasioned by such substitution and an appropriate Change Order shall be issued. In the event that prior objection is raised as described above, but the vendor fails to submit an acceptable substitute prior to execution and delivery of the agreement, no increase in contract price shall be allowed.

1.42.2. Suppliers

The list of subcontractors shall also include the suppliers and manufacturers of the principal items of materials and equipment the vendor expects to use in the work.

1.43. Copies of Contract Documents

The selected vendor to whom a contract is awarded will be furnished, without cost to it, five (5) copies of the specifications and five (5) sets of the drawings, together with all addenda thereto. Additional copies of specifications and drawings may be obtained from the City for a fee.

1.44. Performance and Payment Bond

Having satisfied all conditions of award as set forth elsewhere in these documents, the successful vendor shall furnish bond(s) each in a penal sum of at least the full amount of the contract as awarded in the form included in the specifications, which secures the faithful performance of the contract, and for the payment of all persons, firms or corporations to whom the selected vendor may become legally indebted for labor, materials, tools, equipment, or service, of any nature, employed or used by it in performing the work. Such bond(s) shall bear the same date as or a date subsequent to, the date of the contract and be in the name of the prime contractor.

On each such bond the rate of premium shall be stated, together with the total amount of the premium charged. The current power of attorney for the person who signs for any surety company shall be attached to such bond.

The failure of the successful vendor to supply the required bonds within thirty (30) days after the prescribed forms are presented for signature, or within such extended period as the City may grant based upon reasons

determined adequate by the City, shall constitute a default, and the City may either award the contract to the next responsible vendor or re-advertise for bids, and may charge against the vendor the difference between the amount of the award and the amount for which a contract for the work is subsequently executed, irrespective of whether the amount due exceeds the amount of the bid security.

Performance and Payment Bonds shall be delivered to the City's Risk Manager.

1.45. Waiver of Performance and Payment Bonds

Performance and Payment Bonds may be waived under the following circumstances:

The City may elect, at their option, to waive Payment Bonds if the contract sum is less than fifty-thousand (\$50,000.00) dollars.

The City may elect, at their option, to waive Performance Bonds if the contract sum is one-hundred thousand (\$100,000.00) dollars or less.

1.46. Quantities are Approximate

The quantities named in the bid are approximate only, but these are to be used as a basis for the comparison of bids and to determine the amount of the bonds. However, if a unit price appears to the City to be unbalanced to such an extent that changes in actual quantities required under the contract might result in contract price adjustments which would increase payments to the selected vendor excessively, then the City may take such a condition under consideration in awarding the contract.

1.47. Employment Requirements and Wage Rates

1.47.1. General

The selected vendor shall comply with all requirements of the prevailing wage law of the State of Texas, Texas Government Code, Chapter 2258, including the latest amendments thereto.

The selected vendor and his subcontractors shall pay wage rates not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed, and not less than the general prevailing rate of per diem wages for legal holiday and overtime work as listed in the current Davis-Bacon wage rates.

The prevailing wage law does not prohibit payment of more than the general prevailing rate of wages.

1.47.2. Records

The selected vendor and each subcontractor shall keep an accurate record showing the names and occupations of all laborers, workers, and mechanics employed, together with the actual wages paid to each worker. At all reasonable hours, such records shall be open to inspection by the representatives of the City.

Certified Payrolls are to be submitted to the City's representative weekly.

1.47.3. Penalty

If the selected vendor or any subcontractor fails to comply with the prevailing wage law, it shall forfeit to the City sixty dollars (\$60.00) per day for each laborer, workman, or mechanic who is paid less than the specified rate, **pursuant to §2258.023 of the Texas Government Code.**

1.47.4. Hours of Labor

The selected vendor shall comply with all requirements of the hours of work on public works defined by Texas Government Code **§650.001**, including the latest amendments thereto, as an eight (8) hour work day. Violation of this provision is punishable by fine and imprisonment pursuant to **§650.003 of the Texas Government Code.**

1.47.5. Veterans Preference

Pursuant to **Texas Government Code**, §657.004, the selected vendor shall give preference in employment to honorably discharged veterans who were engaged in the services of the United States in time of war or conflict and who are and have been citizens of Texas for not less than five (5) years.

1.47.6. Prevailing Wage and Hour Decision

Chapter 2258 of the Texas Government Code requires contractors and subcontractors performing work on public works contracts to pay wages at a rate consistent with the rate prevailing in the area. Under federal law, the United State Department of Labor is required to maintain a prevailing Wage and Hour Decision for

If the Wage Decision lists fringe benefits, you must either provide the benefits or pay the hourly equivalent in cash in addition to the predetermined wage.

Labor classifications not appearing on the Wage Decision will be deferred to the U.S. Department of Labor (DOL) for approval.

The selected vendor will be responsible for compliance with the applicable portion of Davis-Bacon and related acts and any such decision applicable at the time work is performed.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the
Davis-Bacon Act for which the contract is awarded (and any
solicitation was issued) on or after January 1, 2017. If this

contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates

the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier. A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an

2.2.3. Warning: overhead electrical facilities

2.2.3.1. Overhead lines may exist along the project route. We have not attempted to mark those lines since they are clearly visible, but you should locate them prior to beginning any construction. Texas law, Section 752, Health and Safety Code, forbids all activities in which persons or things may come within six (6) feet of live overhead high voltage lines. Federal Regulation, Title 29, Part 1910.190(1) and Part 1926.440(a) (15) require a minimum clearance of 10 feet from these facilities. Parties responsible for the work, including contractors, are legally responsible for the safety of construction workers under this law. This law carries both criminal and civil liability. To arrange for lines to be turned off or removed, call AEP.

2.3. Special notes

2.3.1. No track excavators will be allowed on country roads or city roads.

2.3.2. The contractor will not have exclusive use of the right of way but shall cooperate in the use of the right of way with the state, the various public utility companies and their contractors.

2.3.3. The contractor shall remove all equipment and materials from the work area that might endanger the traveling public at the end of each work day.

2.3.4. If road and/or lane closures are required then, the contractor shall notify the engineer of impending/upcoming lane closures at least forty-eight (48) hours in advance of single closures and five (5) working days for intersection by limiting lane closures to the hours between 8:30 a.m. and 4:30p.m., Monday through Friday. Lane closures during the weekend may be allowed upon written approval from the engineer.

2.4. Final clean-up

INSTRUCTIONS

1. By signing and submitting this proposal, the prospective vendor is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective vendor shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the determination whether to enter into this transaction. However, failure of the prospective vendors to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the City of San Angelo determined to enter into this transaction. If it is later determined that the prospective vendor knowingly rendered an erroneous certification, in addition to other remedies available, the City of San Angelo may terminate this transaction for cause.
4. The prospective vendor shall provide immediate written notice to the City of San Angelo to which this proposal is submitted if at any time the prospective vendor learns that its certification was erroneous when submitted or has become erroneous because of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "vendor," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549(13 CFR Part 145). You may contact the City of San Angelo for assistance in obtaining a copy of these regulations.
6. The prospective vendor agrees by submitting this proposal that, should the proposed transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the City of San Angelo.
7. The prospective vendor further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment and Suspension" provided by the City of San Angelo, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A vendor in a covered transaction may rely upon a certification of a prospective vendor in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A vendor may decide the method and frequency by which it determines the ineligibility of its principals. Each vendor may, but is not required to, check the Non-procurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a vendor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a vendor in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the City of San Angelo, the City of San Angelo may terminate this transaction for cause.

Vendor Compliance with Reciprocity on Non-Resident Vendors

Texas Government Code 2252.002 provides that, in order to be awarded a contract as low vendor, a non-resident vendor must bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident vendor by the same amount that a Texas resident vendor would be required to underbid a non-resident vendor in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located. A non-resident vendor is a contractor whose corporate offices or principal place of business is outside of the state of Texas. This requirement does not apply to a contract involving Federal funds. The appropriate blanks in Section A must be filled out by all out-of-state or non-resident vendors in order for your bid to meet specifications. The failure of out-of-state or non-resident contractors to do so will automatically disqualify that vendor. Resident vendors must check the blank in Section B.

- A. Non-resident Vendors in _____ (give state), our principal place of business, are required to be _____ percent lower than resident vendors by state law. A copy of the statute is attached.

Non-resident Vendors in _____ (give state), our principal place of business, are not required to underbid resident vendors.

- B. Our principal place of business or corporate offices are in the State of Texas: _____.

RECITALS:

A. City has issued a Request for Bids, RFB No. TR-02-17, for a complete and operational signalized intersection to include but not limited to, signal pole replacements, underground wiring, foundations, pedestrian pole installation and actuation as specified in the RFB No. TR-02-17 and Contract documents (“Work”).

2. TIME OF PERFORMANCE: Contractor agrees to fully complete Work within sixty (60) consecutive calendar days (“Contract Time”) after the date Work commences as established by the Notice to Proceed. Upon Contractor’s receipt of the Notice to Proceed from City, Contractor will commence and complete Work in accordance with specifications as set out in Contract Documents. Contractor further agrees that approval for beginning Work on the project will not be given and that Work will not start until all required bonds and insurance certificates specified in the bid documents have been received and approved by City. Contractor agrees that any extension of the Contract Time agreed to shall not be effective or of any force or effect until and unless in writing, signed by the Operations Director.

3. LIQUIDATED DAMAGES: City and Contractor recognize that the time of performance is of the essence in this Contract and that City will suffer financial loss if Work is not substantially complete within the time specified in Section 3. above, plus any extensions thereof allowed. Both parties hereto also recognize the delays, expense, and difficulties involved in proving in a legal proceeding the actual loss suffered by City if Work is not substantially complete on time. Accordingly, instead of requiring such proof, City and Contractor agree that a reasonable estimate of liquidated damages for any delay (but not as a penalty) is, and that Contractor shall pay City as liquidated damages, the sum of TWO HUNDRED FIFTY DOLLARS AND 00/100 (\$250.00) for each calendar day that expires after the time specified in Section 3., or extension thereof as provided in Section 3., until Work is substantially complete.

Should merchandise described on this bid contain a manufacturer’s warranty, bidders must state the warranty terms on the bids. Bids offered for merchandise when no warranty applies must clearly state: “NO WARRANTY COVERAGE”. Failure of bidders to furnish this data may cause rejection of the complete bid as being non-responsive.

D. Contractor represents and warrants to City that: (i) it possesses all qualifications, licenses and expertise required for the performance of Services; (ii) it is not delinquent in the payment of any sums due City, including but not limited to payment of permit fees or occupational licenses, nor in the performance of any obligations to City; (iii) all personnel assigned to perform Services are and shall be, at all times during the term hereof, fully qualified and trained to perform the tasks assigned to each; and (iv) Services will be performed in the workmanlike manner described in Contract Documents.

5. **CONTRACT PRICE:** City shall pay to Contractor for performance of Work embraced in this Contract, and Contractor shall accept as full compensation therefore, the bid price of _____ (\$ _____) subject to adjustment only as provided by approved change order, for all Work covered by and included in the contract award; payment thereof to be made in current funds in the manner provided in Section 6. Payment Procedure. Provider shall not be reimbursed for any expenses unless authorized in writing by City.

6. **PAYMENT PROCEDURE:** A. Contractor shall submit Applications for Payment in accordance with the Owner's Construction General Conditions as shown in Contract Documents and City shall process the Applications for Payment in accordance with the Owner's Construction General Conditions, and Chapter 2251 of the Texas Government Code except that progress payments and the final payment under this Contract shall be made as set forth below:

B. Progress Payments. City shall make progress payments of the Contract Price on the basis of Contractor's Application for Payment on or about the thirtieth (30th) day after submittal of the Application for Payment each month as provided below. Partial payment retainage shall not exceed five percent (5%) of the total price. Upon approval of the value by City, it shall be incorporated into the form of a Partial Payment Estimate furnished by Contractor.

C. Final Payment. Upon completion and acceptance of Work by City in accordance with the Owner's Construction General Conditions, City shall pay the remainder of the Contract Price.

8. AUDIT AND INSPECTION RIGHTS:

A. City may, at reasonable times, and for a period of up to three (3) years following the date of final payment by City to Provider under this Agreement, audit, or cause to be audited, those books and records of Provider which are related to Primary Provider's performance under this Agreement. Provider agrees to maintain all such books and records at its principal place of business for a period of three (3) years after final payment is made under this Agreement.

B. City may, at reasonable times during the term hereof, inspect Provider's Work and perform such tests, as City deems reasonably necessary, to determine whether the Services required to be provided by Provider under this Agreement conform to the terms hereof and/or the terms found in **Exhibit "A"** and the Agreement documents. Provider shall make available to City all reasonable access and assistance to facilitate the performance of tests or inspections by City representatives.

9. AWARD OF AGREEMENT: Provider represents and warrants to City that it has not employed or retained any person or company employed by City to solicit or secure this Agreement and that it has not offered to pay, paid, or agreed to pay any person any fee, percentage, brokerage fee, or gift of any kind contingent upon or in connection with the award of this Agreement.

10. PUBLIC RECORD: Provider understands that the public shall have access, at all reasonable times, to all documents and information pertaining to City Agreements, subject to the provisions of Chapter 552, Texas Government Code, and agrees to allow access by City and the public to all documents subject to required disclosure under applicable law. Provider's failure or refusal to comply with the provisions of this section shall result in the immediate cancellation of this Agreement by City.

11. COMPLIANCE WITH FEDERAL, STATE, AND LOCAL LAWS: This Agreement is expressly made subject to all applicable federal, state, county and City laws, statutes, ordinances, rules, codes and regulations as set forth now or hereinafter adopted, enacted or amended (collectively referred to as "Regulations"), including but not limited to: Regulations specifically applicable to Services provided and Work performed under this Agreement. All of the foregoing Regulations are hereby made a part of this Agreement and incorporated herein by reference as if fully set out herein. Provider agrees that all Services provided and Work to be performed under this Agreement shall be performed in strict compliance with such Regulations as they may be amended from time to time which may apply to Services provided and Work performed.

12. INDEMNIFICATION. Provider shall indemnify, defend and hold harmless City and its officials, employees and agents (collectively referred to

as “Indemnitees”) and each of them from and against all loss, costs, penalties, fines, damages, claims, expenses (including reasonable attorney’s fees) or liabilities (collectively referred to as “Liabilities”) by reason of any injury to or death of any person or damage to or destruction or loss of any property arising out of, resulting from, or in connection with (i) the performance or non-performance of Services contemplated by this Agreement but only to the extent caused by the negligent acts, errors or omissions, intentional torts, intellectual property infringement, or a failure to pay a subcontractor or supplier committed by Provider or Provider’s agent, consultant under contract, or another entity over which Provider exercises control, or its employees, agents or sub-providers (collectively referred to as “Provider”) (ii) the failure of Provider to comply with any of the paragraphs herein or the failure of Provider to conform services or work to statutes, ordinances, or other regulations or requirements of any governmental authority, federal, state or local, in connection with the performance of this Agreement. Provider expressly agrees to indemnify and hold harmless the Indemnitees, or any of them, from and against all liabilities which may be asserted by an employee or former employee of Provider, or any of its sub-providers, as provided above, for which Provider’s liability to such employee or former employee would otherwise be limited to payments under State Workers’ Compensation or similar laws. Nothing herein shall require Provider to indemnify, defend, or hold harmless any Indemnitee for the Indemnitee’s own gross negligence or willful misconduct. Any and all indemnity provided for in this Agreement shall survive the expiration of this Agreement and the discharge of all other obligations owed by the parties to each other hereunder and shall apply prospectively not only during the term of this Agreement but thereafter so long as any liability could be asserted in regard to any acts or omissions of Provider in performing Services under this Agreement.

13. INSURANCE: Provider shall, at all times during the term hereof, maintain such insurance coverage as may be required by City of the types and in the amounts specified in **Exhibit “C”** attached hereto, which by this reference is incorporated into this Agreement for all purposes, and with insurers licensed to do business in Texas. All insurance required herein shall be drawn in the name of Provider, with City, its council members, board and commission members, officials, agents, guests, invitees, consultants and employees named as additional insureds, except on coverage for Workers’ Compensation. Every policy required above shall be primary insurance. Any insurance or self-insurance benefits carried by City, its officers, or its employees, shall be excess and not contributory to that provided by Provider. All such insurance, including renewals, shall be subject to the approval of City for adequacy of protection and evidence of such coverage shall be furnished to City on Certificates of Insurance indicating

such insurance to be in force and effect and providing that it will not be canceled during the performance of Services under this Agreement without thirty (30) calendar days prior written notice to City. Completed Certificates of Insurance shall be filed with City's Risk Manager at City Hall, 72 W. College Avenue, San Angelo, Texas 76903 prior to the performance of Services hereunder, provided, however, that Provider shall at any time upon request file duplicate copies of the policies of such insurance with City.

The procurement of insurance coverage by Provider shall not be construed to be a limitation upon Provider's liability or as a full performance on its part of Provider's indemnification requirements under this Agreement. Provider's obligations are, notwithstanding any policy of insurance, for the full and total amount of any damage, injury or loss caused by or attributable to its activities conducted at or upon the premises. Failure of Provider to maintain adequate coverage shall not relieve Provider of any Agreemental responsibility or obligation. Provider shall require its insurance carrier(s), with respect to all insurance policies, to waive all rights of subrogation against City, its council members, board and commission members, officials, agents, guests, invitees, consultants and employees.

Provider shall cause each subprovider and sub-subprovider of Provider to purchase and maintain insurance of the types and in the amounts specified in **Exhibit "C"** hereto. Provider shall require subproviders and sub-subproviders to furnish copies of certificates of insurance to Provider's Risk Manager evidencing coverage for each subprovider and sub-subprovider.

If, in the judgment of City, prevailing conditions warrant the provision by Provider of additional liability insurance coverage or coverage which is different in kind, City reserves the right to require the provision by Provider of an amount of coverage different from the amounts or kinds previously required and shall afford written notice of such change in requirements thirty (30) days prior to the date on which the requirements shall take effect. Should Provider fail or refuse to satisfy the requirement of changed coverage within thirty (30) days following City's written notice, Provider shall be deemed in default of this Agreement.

14. DEFAULT: If Provider fails to comply with any term or condition of this Agreement, or fails to perform any of its obligations hereunder, then Provider shall be in default. Upon the occurrence of a default hereunder, City, in addition to all remedies available to it by law, may immediately upon written notice to Provider, terminate this Agreement whereupon all payments, advances, or other compensation paid by City to Provider while Provider was in default shall be immediately returned to City. Provider understands and agrees that termination of this Agreement under this section shall not release Provider from any obligation accruing prior to the effective date of termination. Should Provider be unable or unwilling to commence to perform Services within the time provided or contemplated herein, then, in addition to the foregoing, Provider shall be liable to City for all costs and expenses incurred by City in preparation and negotiation of this Agreement, as well as all costs and expenses in the procurement of Services, including consequential and incidental damages.

15. RESOLUTION OF AGREEMENT DISPUTES: Provider understands and agrees that all disputes between Provider and City based upon an alleged violation of the terms of this Agreement by City shall be submitted to the City Manager for his resolution. Provider shall make a written request for resolution of the dispute (the "Request") to the City Manager or his designee (the "Official") for determination of the matter in dispute. The Request shall clearly

state the disputed issue and include or incorporate by specific reference all information or documents that Provider wants the Official to consider in reaching a determination. The Official shall issue a written notice of decision upon Provider's Request within the thirty (30) days of receipt of Provider's Request. If the Official cannot issue a decision within thirty (30) days of the receipt of Provider's Request, the Official shall notify Provider the date upon which a decision shall be issued. Submission of Provider's Request for determination of the dispute is a condition precedent to Provider's ability to engage in litigation against City. If a decision is not issued by the date indicated by the Official or within ninety (90) days after the submission of Provider's written Request for determination, whichever occurs first, Provider will be deemed to have met the condition precedent required by this provision. Should the dispute be resolved through the submission of Provider's Request, the resolution of the dispute will be documented, if necessary, through a change to this Agreement in accordance with the provisions contained in this Agreement. Should the dispute fail to reach resolution through the submission of Provider's Request, the dispute shall be submitted to mediation at the sole discretion of City. City agrees that it shall make an election within no later than sixty (60) days after the issuance of a determination by the Official in response to Provider's Request, final completion, abandonment or termination of the Project, whichever is later. Such mediation shall be conducted by and between the parties in accordance with the AAA Rules of Mediation for Construction Cases then in effect. Provider understands and agrees that it shall continue to perform its Work under this Agreement unless further performance has been excused by termination of Provider or stopping Work is specifically allowed under the laws of the State of Texas. Provider understands that should a settlement be reached at mediation it is subject to the approval of the City Council. If either mediation is unsuccessful or City elects not to proceed to mediation, then the dispute shall be submitted to litigation in keeping with the terms of this Agreement and the laws of the State of Texas.

16. TERMINATION RIGHTS OF CITY:

A. City shall have the right to terminate this Agreement, in its sole discretion, at any time, by giving written notice to Provider at least five (5) business days prior to the effective date of such termination. In such event, City shall pay to Provider compensation for services rendered and expenses incurred prior to the effective date of termination. In no event shall City be liable to Provider for any additional compensation, other than that provided herein, or for any consequential or incidental damages.

B. City shall have the right to terminate this Agreement, without notice to Provider, upon the occurrence of an event of default hereunder. In such event, City shall not be obligated to pay any amounts to Provider and Provider shall reimburse to City all amounts received by Provider under this Agreement.

17. NONDISCRIMINATION: Provider represents and warrants to City that Provider does not and will not engage in discriminatory practices and that there shall be no discrimination in connection with Provider's performance under this Agreement on account of race, color, sex, religion, age, handicap, marital status or national origin. Provider further covenants that no otherwise qualified individual shall, solely by reason of his/her race, color, sex, religion, age, handicap, marital status or national origin, be excluded from participation in, be denied services, or be subject to discrimination under any provision of this Agreement.

20. AMENDMENTS: City or Provider may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of City and Provider, and approved by City. Such amendments shall not invalidate this Agreement, nor relieve or release City or Provider from their respective obligations under this Agreement.

21. WARRANTY:

A. The Provider warrants and guarantees to the Owner that all Materials or Equipment will be new unless otherwise specified, free from faults or defects, and that all Work will be performed in a workmanlike manner, and in accordance with the specifications and requirements of the Contract Documents as well as of any required or applicable regulations, codes, inspections, test, or required approvals. All unsatisfactory, faulty or un-workman like Work and all Work not conforming to the requirements of the Contract Documents or of such inspections, tests, or approvals shall be considered defective. Prompt notice of all defective Work shall be given to the Provider. All defective Work, whether or not in place, may be rejected.

B. If required by the Owner prior to approval of final payment the Provider will promptly, without cost to the Owner, either correct any defective Work, whether or not fabricated, installed, or completed, or remove it from the site and replace it with non-defective Work. The Provider will also bear the expenses of making good all work of others destroyed or damaged by its correction, removal, or replacement of Provider's defective Work. If the Provider does not diligently proceed to correct such defective Work or remove and replace such rejected Work

within a reasonable time, as required by written notice from the Owner, the Owner may have the deficiency corrected or the rejected Work removed and replaced. All direct or indirect costs of such correction or removal and replacement, including compensation for additional professional services shall be charged to the Provider, and an appropriate Change Order shall be issued deducting all such costs from the Agreement Price or otherwise paid by Provider.

C. Prior to the expiration of one (1) year after the date of Final Completion (or such longer period of time as may be prescribed by law or by the terms of any applicable special guarantee or warranty required by the Contract Documents), if any Work is found to be defective, the Provider will promptly without cost to the Owner and in accordance with the Owner's written instruction, either correct such defective Work, or, if it has been rejected by the Owner, remove it from the site and replace it with non-defective Work. Any such corrected or replaced defective work shall be warranted by the Provider for one year from and after such correction or replacement of work.

D. If the Provider does not promptly comply with the terms of such instructions to correct or replace defective Work, the Owner may have the defective Work corrected or the rejected Work removed and replaced, and all direct and indirect costs of such removal and replacement, including compensation for additional professional services, will be paid by the Provider. In such case, a Change Order shall be issued incorporating the necessary revisions in the Contract Documents, including appropriate reduction in the Agreement Price. Should the remaining Agreement balance be insufficient to complete the works, Owner will seek reimbursement from the Provider and/or its surety for the damages in excess of the remaining Agreement balance. If the acceptance occurs after approval of final payment, an appropriate amount shall be paid by the Provider within thirty (30) days of written demand for payment accompanied by supporting documentation.

22. MISCELLANEOUS PROVISIONS:

C. No waiver or breach of any provision of this Agreement shall constitute a waiver of any subsequent breach of the same or any other provision hereof, and no waiver shall be effective unless made in writing.

D. Should any provision, paragraph, sentence, word or phrase contained in this Agreement be determined by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable under the laws of the State of Texas or City of San Angelo, such provision, paragraph, sentence, word or phrase shall be deemed modified to the extent necessary in order to conform with such laws, or if not modifiable, then same shall be deemed severable, and in either event, the remaining terms and provisions of this Agreement shall remain unmodified and in full force and effect or limitation of its use.

Accordingly, Provider shall not attain, nor be entitled to, any rights or benefits under the Civil Service or Pension Ordinances of City, nor any rights generally afforded classified or unclassified employees. Provider further understands that Texas Workers' Compensation benefits available to employees of City are not available to Provider, and agrees to provide workers' compensation insurance for any employee or agent of Provider rendering Services to City under this Agreement.
