Debarment and Suspension Certification

INSTRUCTIONS

1. By signing and submitting this proposal, the prospective firm is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective firm shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the determination whether to enter into this transaction. However, failure of the prospective firms to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the City of San Angelo determined to enter into this transaction. If it is later determined that the prospective firm knowingly rendered an erroneous certification, in addition to other remedies available, the City of San Angelo may terminate this transaction for cause.
4. The prospective firm shall provide immediate written notice to the City of San Angelo to which this proposal is submitted if at any time the prospective firm learns that its certification was erroneous when submitted or has become erroneous because of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "firm," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549(13 CFR Part 145). You may contact the City of San Angelo for assistance in obtaining a copy of these regulations.
6. The prospective firm agrees by submitting this proposal that, should the proposed transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the City of San Angelo.
7. The prospective firm further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment and Suspension" provided by the City of San Angelo, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A firm in a covered transaction may rely upon a certification of a prospective firm in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A firm may decide the method and frequency by which it determines the ineligibility of its principals. Each firm may, but is not required to, check the Non-procurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a firm is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a firm in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the City of San Angelo, the City of San Angelo may terminate this transaction for cause.

Provider expressly agrees to indemnify and hold harmless the Indemnitees, or any of them, from and against all liabilities which may be asserted by an employee or former employee of Provider, or any of its sub-providers, as provided above, for which Provider’s liability to such employee or former employee would otherwise be limited to payments under State Workers’ Compensation or similar laws. Nothing herein shall require Provider to indemnify, defend, or hold harmless any Indemnatee for the Indemnatee’s own negligence or willful misconduct. Any and all indemnity provided for in this Agreement shall survive the expiration of this Agreement and the discharge of all other obligations owed by the parties to each other hereunder and shall apply prospectively not only during the term of this Agreement but thereafter so long as any liability could be asserted in regard to any acts or omissions of Provider in performing Services under this Agreement.

For Professional Liability Claims, Provider shall be liable for reasonable defense costs incurred by City but only after final adjudication and to the extent and percent that Provider or Provider’s agents are found negligent or otherwise at fault.

All such insurance, including renewals, shall be subject to the approval of City for adequacy of protection and evidence of such coverage shall be furnished to City on Certificates of Insurance indicating such insurance to be in force and effect and providing that it will not be canceled during the performance of Services under this Agreement without thirty (30) calendar days prior written notice to City. Completed Certificates of Insurance shall be filed with City’s Risk Manager at City Hall, 72 W. College Avenue, San

Angelo, Texas 76903 prior to the performance of Services hereunder, provided, however, that Provider shall at any time upon request file duplicate copies of the policies of such insurance with City.

The procurement of insurance coverage by Provider shall not be construed to be a limitation upon Provider's liability or as a full performance on its part of Provider's indemnification requirements under this Agreement. Provider's obligations are, notwithstanding any policy of insurance, for the full and total amount of any damage, injury or loss caused by or attributable to its activities conducted at or upon the premises. Failure of Provider to maintain adequate coverage shall not relieve Provider of any contractual responsibility or obligation.

Provider shall require its insurance carrier(s), with respect to all insurance policies, to waive all rights of subrogation against City, its council members, board and commission members, officials, agents, guests, invitees, consultants and employees.

Provider shall cause each subprovider and sub-subprovider of Provider to purchase and maintain insurance of the types and in the amounts specified in **Exhibit "C"** hereto. Provider shall require subproviders and sub-subproviders to furnish copies of certificates of insurance to Provider's Risk Manager evidencing coverage for each subprovider and sub-subprovider.

If, in the judgment of City, prevailing conditions warrant the provision by Provider of additional liability insurance coverage or coverage which is different in kind, City reserves the right to require the provision by Provider of an amount of coverage different from the amounts or kinds previously required and shall afford written notice of such change in requirements thirty (30) days prior to the date on which the requirements shall take effect. Should Provider fail or refuse to satisfy the requirement of changed coverage within thirty (30) days following City's written notice, Provider shall be deemed in default of this Agreement.

13. DEFAULT: If Provider fails to comply with any term or condition of this Agreement, or fails to perform any of its obligations hereunder, then Provider shall be in default. Upon the occurrence of a default hereunder, City, in addition to all remedies available to it by law, may immediately upon written notice to Provider, terminate this Agreement whereupon all payments, advances, or other compensation paid by City to Provider while Provider was in default shall be immediately returned to City. Provider understands and agrees that termination of this Agreement under this section shall not release Provider from any obligation accruing prior to the effective date of termination. Should Provider be unable or unwilling to commence to perform Services within the time provided or contemplated herein, then, in addition to the foregoing, Provider shall be liable to City for all costs and expenses incurred by City in preparation and negotiation of this Agreement, as well as all costs and expenses in the reprocurement of Services, including consequential and incidental damages.

14. RESOLUTION OF CONTRACT DISPUTES: Provider understands and agrees that all disputes between Provider and City based upon an alleged violation of the terms of this Agreement by City shall be submitted to the City Manager for his resolution. Provider shall make a written request for resolution of the dispute (the "Request") to the City Manager or his designee (the "Official") for determination of the matter in dispute. The Request shall clearly state the disputed issue and include or incorporate by specific reference all information or documents that Provider wants the Official to consider in reaching a determination. The Official shall issue a written notice of decision upon Provider's Request within the thirty (30) days of receipt of Provider's Request. If the Official cannot issue a decision within thirty (30) days of the receipt of Provider's Request, the Official shall notify Provider the date upon which a decision shall be issued. Submission of Provider's Request for determination of the dispute is a condition precedent to Provider's ability to engage in litigation against City. If a decision is not issued by the date indicated by the Official or within ninety (90) days after the submission of Provider's written Request for determination, whichever occurs first, Provider will be deemed to have met the condition precedent required by this provision. Should the dispute be resolved through the submission of Provider's Request, the resolution of the dispute will be documented, if necessary, through a change to this Agreement in accordance with the provisions contained in this Agreement. Should the dispute fail to reach resolution through the submission of Provider's Request, the dispute shall be submitted to non-binding mediation at the sole discretion of City. City agrees that it shall make an election within no later than sixty (60) days after the issuance of a determination by the Official in response to Provider's Request, final completion, abandonment or termination of the Project, whichever is later. Such mediation shall be conducted by and between the parties in accordance with the AAA Rules of Mediation for Construction Cases then in effect. Provider understands and agrees that it shall continue to perform its Work under this Agreement unless further performance has been excused by termination of Provider or stopping Work is specifically allowed under the laws of the State of Texas. Provider understands that should a settlement be reached at mediation it is subject to the approval of the City Council. If either mediation is unsuccessful or City elects not to proceed to mediation, then the dispute shall be submitted to litigation in keeping with the terms of this Agreement and the laws of the State of Texas.

15. TERMINATION RIGHTS OF CITY:

A. City shall have the right to terminate this Agreement, in its sole discretion, at any time, by giving written notice to Provider at least five (5) business days prior to the effective date of such termination. In such event, City shall pay to Provider compensation for services rendered and expenses incurred prior to the effective date of termination. In no event shall City be liable to Provider for any additional compensation, other than that provided herein, or for any consequential or incidental damages.

B. Notwithstanding anything to the contrary in this agreement, City shall have the right to terminate this Agreement, without notice to Provider, upon the occurrence of an event of default hereunder. In such event, City shall not be obligated to pay any amounts to Provider and Provider shall reimburse to City all amounts received by Provider under this Agreement.

16. NONDISCRIMINATION: Provider represents and warrants to City that Provider does not and will not engage in discriminatory practices and that there shall be no discrimination in connection with Provider's performance under this Agreement on account of race, color, sex, religion, age, handicap, marital status or national origin.
