The Request shall clearly state the disputed issue and include or incorporate by specific reference all information or documents that Provider wants the official to consider in reaching a determination. The official shall issue a written notice of decision upon Provider's Request within the thirty (30) days of receipt of Provider's Request. If the official cannot issue a decision within thirty (30) days of the receipt of Provider's Request, the official shall notify Provider the date upon which a decision shall be issued. Submission of a Provider's Request for determination of the dispute is a condition precedent to Provider's ability to engage in litigation against City. If a decision is not issued by the date indicated by the official or within ninety (90) days after the submission of Provider's written Request for determination, whichever occurs first, Provider will be deemed to have met the condition precedent required by this provision. Should the dispute be resolved through the submission of Provider's Request, the resolution of the dispute will be documented, if necessary, through a change to the Contract in accordance with the provisions contained in the Contract. Should the dispute fail to reach resolution through the submission by Provider's Request, the dispute may be submitted to mediation at the sole discretion of City. Such mediation shall be conducted by and between the parties in accordance with the AAA Rules of Mediation for

Construction Cases then in effect. Provider understands and agrees that it shall continue to perform Work under the Contract unless further performance has been excused by termination of Provider or stopping Work is specifically allowed under the laws of the State of Texas. Provider understands that should a settlement be reached at mediation it is subject to the approval of the City Council. If either mediation is unsuccessful or City elects not to proceed to mediation, then the dispute may be submitted to litigation in keeping with the terms of the Contract and the laws of the State of Texas.

B. Provider understands and agrees that any and all other disputes arising between Provider and City not related to changes, change orders or extra work, may be submitted to mediation at the sole discretion of City. City agrees that it shall make such an election within no later than sixty (60) days from the date of final completion of work, abandonment or termination, whichever is later. Such mediation shall be conducted by and between the parties in accordance with the AAA Rules of Mediation for Construction Cases then in effect. Provider understands and agrees that it shall continue to perform Work under the Contract unless further performance has been excused by termination of Provider or abandonment is specifically allowed under the laws of the State of Texas. Provider understands that should a settlement be reached at mediation it is subject to the approval of the City Council. If either mediation is unsuccessful or City elects not to proceed to mediation, then the dispute shall be submitted to litigation in keeping with the terms of the Contract and the laws of the State of Texas.

A. Provider shall, at all times during the term of the Contract, maintain such insurance coverage as may be required by City of the types and in the amounts specified in the Special Insurance Rider and with insurers licensed to do business in Texas. College Avenue, San Angelo, Texas 76903 prior to the performance of Services hereunder, provided, however, that Provider shall at any time upon request file duplicate copies of the policies of such insurance with City.

B. The procurement of insurance coverage by Provider shall not be construed to be a limitation upon Provider's liability or as a full performance on its part of Provider's indemnification requirements under the Contract. Provider's obligations are, notwithstanding any policy of insurance, for the full and total amount of any damage, injury or loss caused by or attributable to performance of the work under the contract and its activities conducted at or upon the premises. Failure of Provider to maintain adequate coverage or coverage in excess of that

required under the Contract shall not relieve Provider of any contractual responsibility or obligation.

C. Provider shall require its insurance carrier(s), with respect to all insurance policies, to waive all rights of subrogation against City, its council members, board and commission members, officials, agents, guests, invitees, consultants and employees.

D. Provider shall cause each subcontractor and sub-subcontractor of Provider to purchase and maintain insurance of the types and in the amounts specified in the Special Insurance Rider hereto. If, in the judgment of City, prevailing conditions reasonably warrant the provision by Provider of additional liability insurance coverage or coverage which is different in kind, City reserves the right to require the provision by Provider of an amount of coverage different from the amounts or kind previously required and shall afford written notice of such change in requirements thirty (30) days prior to the date on which the requirements shall take effect. Should Provider fail or refuse to satisfy the requirement of changed coverage within thirty (30) days following City's written notice, the Contract shall be considered terminated on the date that the required change in policy coverage would otherwise take effect.
