The bond shall be made payable without condition to the City of San Angelo, Texas. Bid security must be in the name of the company submitting the bid. 1.16. Return of Security

The security of the successful vendor will be retained until they have executed the contract agreement and furnished the required bonds and insurance, whereupon bid security will be returned. The security of any vendor whom City believes to have a reasonable chance of receiving the award may be retained by City until the day after the required documents are delivered by the selected vendor to the City but not to exceed ninety (90) days after the bid submittals are due. Bid security by other vendors will be returned within thirty (30) days of when bid submittals are due.

1.17. Inspections

No work shall be ordered without a Purchase Order and all invoices must reflect the Purchase Order number. City's obligation is payable only and solely from funds available for the purpose of this purchase. Lack of funds shall render this contract null and void to the extent funds are not available and any delivered but unpaid for goods will be returned to vendor by City. Accepting orders without a Purchase Order number shall be at the risk of the vendor.

1.18. Invoices and Payment

The work awarded under this Request for Bids will result in a Master Services Agreement for an aggregate amount for all the work under the agreement.

Invoices must reference the bid number (FC-02-19), Purchase Order number, and include detailed, line item information to provide sufficient background information justifying goods/services billed.

Payment may be withheld by City, at the discretion of the City, to vendor until all required documents pertaining to the incurred charges are provided to the authorized City representative.

1.19. Gratuities

The City may, by written notice to the vendor, cancel this contract without liability to vendor if it is determined by the City that gratuities were offered from an agent or representative of the vendor to any officer or employee of the City with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations in respect to the performing of such contract. In the event this contract is canceled by City, remedies to recover or withhold the amount of the cost shall be incurred by vendor in providing such gratuities.

1.20. Warranty-Price

The price to be paid by the City shall be that contained in vendor's bid which vendor warrants to be no higher than vendor's current prices on orders by others for products of the kind and specifications covered by this agreement for similar quantities under similar or like conditions and methods of purchase. In the event vendor breaches this warranty, the prices of the items shall be reduced to the vendor's current prices on orders by others, or in the alternative, reduced to the vendor's current prices on orders by others, or in the alternative, City may cancel this contract without liability to vendor for breach or vendor's actual expense.

The vendor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for commission, percentage, brokerage, or contingent fee excepting bona fide employees of bona fide established commercial or selling agencies maintained by the vendor for the purpose of securing business. For breach or violation of the warranty, the City shall have the right in addition to any other right or rights to cancel this contract without liability and to deduct from the contract price, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

1.21. Warranty-Product

Vendor shall not limit or exclude any implied warranties and any attempt to do so shall render this contract voidable at the option of the City. Vendor warrants that the goods furnished will conform to the specifications, drawings, and descriptions. Any warranties take effect on the contract effective date.

1.22. Safety Warranty

Vendor warrants that the product sold to City shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act (OSHA). In the event the product does not conform to OSHA standards, City may return the product for correction or replacement at the vendor's expense. In the event vendor fails to make the appropriate correction within a reasonable time, correction made by City will be at vendor's expense.

1.23. No Warranty by City against Infringements

As part of this contract for sale, vendor agrees to ascertain whether goods manufactured in accordance with the specifications attached to this agreement will give rise to the rightful claim of any third person by way of infringement or the like. City makes no warranty that the production of goods according to the specification will not give rise to such a claim, and in no event shall City be liable to vendor for indemnification in the event that vendor issued on the grounds of infringement or the like. If vendor is of the opinion that an infringement or the like will result, he will notify City to this effect in writing within two weeks after the signing of the agreement. If City does not receive notice and a claim of infringement is made, vendor will indemnify, defend, and hold harmless City, its Council members, officials, agents, consultants, and employees free and harmless from and against any and all claims, suits, judgments, costs, penalties, fines, damages, and attorneys' fees and expenses asserted by any person or persons. If vendor, in good faith, ascertains that production of the goods in accordance with the specifications will result in infringement or the like, this contract shall be void.

1.24. Termination

Performance under this contract may be terminated in whole, or in part by the City in accordance with this provision. Termination performance hereunder shall be effected by the delivery to vendor of a "Notice of Termination" specifying the extent to which performance under this contract is terminated and the date upon which such termination becomes effective.

1.25. Force Majeure

Neither party shall be held responsible for losses resulting if the fulfillment of any terms or provisions of this contract is delayed or prevented by any cause not within the control of the party whose performance is interfered with, which by the exercise of reasonable diligence said party is unable to prevent.

1.26. Assignment-Delegation

No right or interest in the contract shall be assigned nor shall any delegation of any obligation made by vendor be valid without the written permission of the City. Any attempted assignment or delegation by vendor shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

1.27. Waiver

No claim or right arising out of a breach of this contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

1.28. Modifications

This contract can be modified or rescinded only in writing signed by both of the parties or their duly authorized agents.

1.29. Interpretation-Parol Evidence

This writing is intended by the parties as a final expression of their agreement and is intended as a complete agreement for dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this agreement. Acceptance or acquiescence in a course of performance rendered under this agreement shall not be relevant to determine the meaning of this agreement even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in the agreement, the definition contained in the Code is to control.

1.30. Applicable Law

This agreement shall be governed by the Uniform Commercial Code. Whenever the term "Uniform Commercial Code" is used, it shall be construed as meaning the Uniform Commercial Code as adopted in the State of Texas as effective and in force on the date of this agreement.

1.31. Advertising

Vendor shall not advertise or publish, without City's prior consent, the fact that City has entered into this contract, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local government.

1.32. Right to Assurance

Whenever one party to this contract in good faith has reason to question the other party's intent to perform, they may demand that the other party give written assurance of its intent to perform. In the event that a demand is made, and no assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

1.33. Equal Employment Opportunity

Vendor agrees that during the performance of its contract it will:

- Treat all applicants and employees without discrimination as to race, color, religion, sex, national origin, marital status, age, or handicap.
- Identify itself as an Equal Opportunity Employer in all help wanted advertising or request. The vendor shall be advised of any complaints filed with the City alleging that vendor is not an Equal Opportunity Employer. The City reserves the right to consider its reports from its human relations administrator in response to such complaints in determining whether or not to terminate any portion of this contract for which Purchase Orders or authorities to deliver have not been included; however, the vendor is specifically advised that no Equal Opportunity Employment complaint will be the basis for cancellation of this contract for which a Purchase Order has been issued or authority to deliver granted.

All vendors must be Equal Opportunity Employers. Disadvantaged and minority vendors are encouraged to participate.

1.34. Conflict of Interest

Vendor agrees to comply with the conflict of interest provisions of the City of San Angelo Charter and Code of Ordinances. Vendor agrees to maintain current, updated disclosure of information on file with the City Clerk throughout the term of the contract.

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflict of interests' disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) – included in the bid forms - must be submitted no later than the seventh (7th) business day after the date the vendor begins discussion, negotiation, applies or responds to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

1.35. Certificate of Interested Parties (Form 1295)

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

Filing Process:

On January 1, 2016, the ethics commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

Information regarding how to use the filing application and the application are both available at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. Instructional videos are available under the heading Instructional Videos for Business Entities.

The Form 1295 must be received, signed and original, within thirty (30) days of Council award or the contract may be voided.

1.36. Taxes and Permits

Attention is directed to the requirements of the General Conditions regarding payment of taxes and obtaining permits. All taxes that are lawfully assessed against the City or the selected vendor in connection with the work shall be paid by the vendor. The bid prices shall include all such taxes and the costs of all required permits. The City is exempt from State Sales Tax and Federal Excise Tax.

1.37. Examination of Contract Documents

Each vendor shall thoroughly examine and be familiar with this document, specifications, etc. The submission of a bid shall constitute an acknowledgment that the vendor has thoroughly examined and is familiar with the contract documents. The failure or neglect of a vendor to receive or examine any of the contract documents shall in no way relieve them from any obligations with respect to their bid or to the contract. No claim for extra or additional compensation will be allowed based upon a lack of knowledge of any contract document, and the City will in no case be responsible for any loss or for unanticipated costs that may be suffered by the selected vendor as a result of conditions pertaining to the work.

1.38. Familiarization with the Type of Work

Before submitting a bid, each prospective vendor shall familiarize itself with the work, local labor conditions and all laws, regulations, and other factors affecting performance of the work. It shall carefully correlate its observations with requirements of this request and otherwise satisfy itself of the expense and difficulties attending performance of the work. The submission of a bid will constitute a representation of compliance by the vendor. There will be no subsequent financial adjustment for lack of such familiarization.

1.39. Subcontractors and Supplies

All bids must include a list of proposed subcontractors and suppliers on the form included in the bid forms section. **Vendors are strongly encouraged to explore utilizing area subcontractors and suppliers.**

When requested by the City, within twenty-four (24) hours of bid opening, the apparent low vendor, and any other vendor so requested, shall submit a list of all subcontractors they expect to use.

1.39.1. Subcontractor Qualification

Particular consideration will be given to the qualifications of each subcontractor proposed to perform more than 5 percent (5%) of the work.

The successful vendor will submit to the City for acceptance a list of the names of subcontractors and such other persons and organizations (including those who are to furnish materials or equipment fabricated to a special design) identifying that portion of the work to be performed by each subcontractor within fourteen (14) days of the issuance of Notice of Award.

The City will notify the successful vendor in writing if there is objection to any subcontractor, person, or organization on such list.

If the apparent low vendor declines to make any such substitution, the contract shall not be awarded to such vendor, but their declining to make any such substitution will not constitute grounds for sacrificing their bid security. Additional requirements for subcontractors are contained within the Owner's Construction General Conditions of this document.

The failure of the City to make any such objection prior to the execution and delivery of the agreement shall constitute an acceptance of such subcontractor, person, or organization. Such acceptance a subcontractor, person or organization shall not: (1) constitute a waiver of any right of the City to reject defective work, material, or equipment, or work, material, or equipment not in

conformance with the requirements of the contract documents; or (2) constitute a waiver of vendor's complete and total liability for any defective work, material, or equipment, or work, material, or equipment not in conformance with the requirements of the contract documents whether or not provided by or performed by any such subcontractor.

If the City registers objection to and refuses to accept a subcontractor, person, or organization list the successful vendor may either (1) submit an acceptable substitute without an increase in their bid price or (2) withdraw their bid. If the City raises objection to a subcontractor, person, or organization after the execution and delivery of the agreement, the vendor will submit an acceptable substitute and the contract price shall be increased or decreased by the reasonable difference in cost occasioned by such substitution and an appropriate Change Order shall be issued. In the event that prior objection is raised as described above, but the vendor fails to submit an acceptable substitute prior to execution and delivery of the agreement, no increase in contract price shall be allowed.

1.39.2. Suppliers

The list of subcontractors shall also include the suppliers and manufacturers of the principal items of materials and equipment the vendor expects to use in the work.

1.40. Copies of Contract Documents

The selected vendor to whom a contract is awarded will be furnished, without cost to it, five (5) copies of the specifications and five (5) sets of the drawings, together with all addenda thereto. Additional copies of specifications and drawings may be obtained from the City for a fee.

1.41. Performance and Payment Bond

Having satisfied all conditions of award as set forth elsewhere in these documents, the successful vendor shall furnish bond(s) each in a penal sum of at least the full amount of the contract as awarded in the form included in the specifications, which secures the faithful performance of the contract, and for the payment of all persons, firms or corporations to whom the selected vendor may become legally indebted for labor, materials, tools, equipment, or service, of any nature, employed or used by it in performing the work. Such bond(s) shall bear the same date as or a date subsequent to, the date of the contract and be in the name of the prime contractor.

On each such bond the rate of premium shall be stated, together with the total amount of the premium charged. The current power of attorney for the person who signs for any surety company shall be attached to such bond.

The failure of the successful vendor to supply the required bonds within thirty (30) days after the prescribed forms are presented for signature, or within such extended period as the City may grant based upon reasons determined adequate by the City, shall constitute a default, and the City may either award the contract to the next responsible vendor or re-advertise for bids, and may charge against the vendor the difference between the amount of the award and the amount for which a contract for the work is subsequently executed, irrespective of whether the amount due exceeds the amount of the bid security.

Performance and Payment Bonds shall be delivered to the City's Risk Manager.

1.42. Waiver of Performance and Payment Bonds

Performance and Payment Bonds may be waived under the following circumstances:

The City may elect, at their option, to waive Payment Bonds if the contract sum is less than fifty thousand (\$50,000.00) dollars.

The City may elect, at their option, to waive Performance Bonds if the contract sum is one hundred thousand (\$100,000.00) dollars or less.

1.43. Quantities are Approximate

The quantities named in the bid are approximate only, but these are to be used as a basis for the comparison of bids and to determine the amount of the bonds. However, if a unit price appears to the City to be unbalanced to such an extent that changes in actual quantities required under the contract might result in contract price adjustments which would increase payments to the selected vendor excessively, then the City may take such a condition under consideration in awarding the contract.

1.44. Employment Requirements and Wage Rates

1.44.1. General

The selected vendor shall comply with all requirements of the prevailing wage law of the State of Texas, Texas Government Code, Chapter 2258, including the latest amendments thereto.

The selected vendor and his subcontractors shall pay wage rates not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed, and not less than the general prevailing rate of per diem wages for legal holiday and overtime work as listed in the current Davis-Bacon wage rates.

The prevailing wage law does not prohibit payment of more than the general prevailing rate of wages.

1.44.2. Records

The selected vendor and each subcontractor shall keep an accurate record showing the names and occupations of all laborers, workers, and mechanics employed, together with the actual wages paid to each worker. At all reasonable hours, such records shall be open to inspection by the representatives of the City.

Certified Payrolls are to be submitted to the City's representative weekly.

1.44.3. Penalty

If the selected vendor or any subcontractor fails to comply with the prevailing wage law, it shall forfeit to the City sixty dollars (\$60.00) per day for each laborer, workman, or mechanic who is paid less than the specified rate, pursuant to ***§2258.023 of the Texas Government Code***.

1.44.4. Hours of Labor

The selected vendor shall comply with all requirements of the hours of work on public works defined by ***Texas Government Code §650.001***, including the latest amendments thereto, as an eight (8) hour workday. Violation of this provision is punishable by fine and imprisonment pursuant to ***§650.003 of the Texas Government Code***.

1.44.5. Veterans Preference

Pursuant to ***Texas Government Code, §657.004***, the selected vendor shall give preference in employment to honorably discharged veterans who were engaged in the services of the United States in time of war or conflict and who are and have been citizens of Texas for not less than five (5) years.

1.44.6. Prevailing Wage and Hour Decision

Chapter 2258 of the Texas Government Code requires contractors and subcontractors performing work on public works contracts to pay wages at a rate consistent with the rate prevailing in the area. Under federal law, the United State Department of Labor is required to maintain a prevailing Wage and Hour Decision for each geographical area. Compliance with the published decision meets the requirements of the Texas Government Code.

Additionally, all contractors and subcontractors must pay their laborers and mechanics not less than the prevailing wage rates and fringe benefits for corresponding classes of laborers and mechanics employed on similar projects in the area.

If the Wage Decision lists fringe benefits, you must either provide the benefits or pay the hourly equivalent in cash in addition to the predetermined wage.

Labor classifications not appearing on the Wage Decision will be deferred to the U.S. Department of Labor (DOL) for approval.

The selected vendor will be responsible for compliance with the applicable portion of Davis-Bacon and related acts and any such decision applicable at the time work is performed.

BUILDING CONSTRUCTION PROJECTS (does not include single family homes or apartments up to and including 4 stories).

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.60 for calendar year 2019 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.60 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2019. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations

72 West College Avenue, San Angelo, Texas 76903
Telephone: (325) 657-4219

200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

INSTRUCTIONS

1. By signing and submitting this proposal, the prospective vendor is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective vendor shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the determination whether to enter into this transaction. However, failure of the prospective vendors to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the City of San Angelo determined to enter into this transaction. If it is later determined that the prospective vendor knowingly rendered an erroneous certification, in addition to other remedies available, the City of San Angelo may terminate this transaction for cause.
4. The prospective vendor shall provide immediate written notice to the City of San Angelo to which this proposal is submitted if at any time the prospective vendor learns that its certification was erroneous when submitted or has become erroneous because of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "vendor," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549(13 CFR Part 145). You may contact the City of San Angelo for assistance in obtaining a copy of these regulations.
6. The prospective vendor agrees by submitting this proposal that, should the proposed transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the City of San Angelo.
7. The prospective vendor further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment and Suspension" provided by the City of San Angelo, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A vendor in a covered transaction may rely upon a certification of a prospective vendor in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A vendor may decide the method and frequency by which it determines the ineligibility of its principals. Each vendor may, but is not required to, check the Non-procurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a vendor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a vendor in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the City of San Angelo, the City of San Angelo may terminate this transaction for cause.

Vendor Compliance with Reciprocity on Non-Resident Vendors

Texas Government Code 2252.002 provides that, in order to be awarded a contract as low vendor, a non-resident vendor must bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident vendor by the same amount that a Texas resident vendor would be required to underbid a non-resident vendor in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located. A non-resident vendor is a contractor whose corporate offices or principal place of business is outside of the state of Texas. This requirement does not apply to a contract involving Federal funds. The appropriate blanks in Section A must be filled out by all out-of-state or non-resident vendors for your submission to meet specifications. The failure of out-of-state or non-resident contractors to do so will automatically disqualify that vendor. **Resident vendors must check the blank in Section B.**

- A. Non-resident Vendors in _____ (give state), our principal place of business, are required to be _____ percent lower than resident vendors by state law. A copy of the statute is attached.

Non-resident Vendors in _____ (give state), our principal place of business, are not required to underbid resident vendors.

- B. Our principal place of business or corporate offices are in the State of Texas: _____. (Mark a "check" in the blank if this applies.)
