

SAN ANGELO MUNICIPAL COURT YOUTH DIVERSION PLAN

The San Angelo Municipal Court Youth Diversion Program is designed to provide an alternative to traditional court proceedings for eligible youth offenders. This program adheres to Texas H.B. 3186 and is structured in accordance with Article 45.306(b) of the Texas Code of Criminal Procedure. The program aims to reduce recidivism, promote accountability, and provide educational and rehabilitative opportunities for youth.

I. Description

As provided by Chapter 45, subchapter "E" of the Texas Code of Criminal Procedure, and contingent on eligibility, a child shall be diverted from formal criminal prosecution through an established Youth Diversion Program.

The Youth Diversion Plan allows a child the opportunity to complete a Youth Diversion plan with realistic and reasonable terms, set by the Teen Court Jury or the Municipal Court Judge or the Youth Diversion Coordinator. Terms may include a combination of conditions such as community service, an educational program, counseling, letters of apology, and/or restitution, etc. A child's participation is voluntary and requires the child to accept responsibility for his or her conduct and engage in a diversion agreement.

The Juvenile Case Manager for the San Angelo Municipal Court will monitor the child's compliance throughout their participation in the program which may run up to 180 days. If the child satisfies all the requirements of their diversion agreement, there will be no further proceedings related to the case. If the child withdraws or does not successfully complete the diversion agreement, the Municipal Court will conduct a hearing to determine if the diversion was unsuccessful. If it is determined the diversion measures were unsuccessful, the court may transfer the child to a juvenile court or formally file the charge against the child for criminal prosecution, with the prosecutor's approval.

If it is determined that more time is necessary for a young person to successfully complete the diversion, a diversion contract can be extended and/or adjusted.

II. Eligibility

1. The child is charged with a misdemeanor offense, punishable by fine only, other than a traffic offense.
2. A child has not entered into a diversion agreement in the past 365 days.
3. A child is not eligible for diversion if the child previously had an unsuccessful diversion.
4. A child is not eligible for diversion if a diversion is objected to by the attorney representing the state.
5. A child may not be diverted from criminal prosecution without the consent of the child and the child's parent/guardian.
6. The child is at least 10 years of age and younger than 17 years of age.

III. Youth Diversion Goals

3. Encourage acceptance of their consequences.
4. Deter future criminal conduct.
5. Prevent the creation or extension of criminal records.
6. Reduce the reoccurrence of problem behaviors leading to gateway misdemeanors.
7. Avoid currency punishments for youth and their parents/guardians with limited financial resources.

IV. Youth Diversion Plan

1. Bring together participants (e.g., child and parent(s)/guardian), Judge, Youth Diversion Coordinator or Juvenile Case Manager, prosecutor, etc.)
2. Conduct a meeting and review charge(s).

5. Set requirements and ensure the child and parent(s)/guardian comprehend the diversion agreement.
6. The child and parent(s)/guardians accept and sign the individualized, written diversion agreement. The agreement will include term(s) of compliance, duration of the agreement, and a date by which conditions must be met. (These terms and conditions will be set on a case-by-case basis).
