### Recycling & Bulk Pickup Weeks

Along with your regular weekly waste collection, we will alternate between collecting recycling or bulk each week. There will be no changes to normal collection days. Recycling and bulk collection will coincide with your regularly scheduled waste collection day. Each week, residents in the **BLUE** shaded map area should expect to have recycling or bulk collected. Refer to the calendar above and/or the region map on the back. You can view an interactive version of the region map by visiting [RepublicServices.com](https://RepublicServices.com) [cosatx.us/departments-services/solid-waste](https://cosatx.us/departments-services/solid-waste) | 325.481.7726
