

## **ADDENDUM 1**

**Date:** April 15, 2014

**RFB No.** VM – 02 – 14/Heavy Duty Construction Equipment

**Location:** San Angelo, Texas

**Bid Date:** Revised- April 23, 2014/2:00 PM Local Time

The following clarifications, changes, additions, and/or deletions are hereby made to the specifications and contract documents:

- The bid submission deadline has been changed to April 23, 2014/2:00 PM Local Time

### **Clarifications and Questions**

1. Are you requesting powertrain only warranties or full "bumper to bumper" warranties?

The warranties being requested under the options section of all items is for full "bumper to bumper" warranties for the terms indicated.

2. What is requested for "Starting aid equipped" on the Wheel Loaders?

Please include on the machines a device or system used by the manufacturer for difficult starting situation such as extreme cold. This may include starting fluid injection systems and/or block heaters, for example.
